

CONCORD CREEK

About the Community

Established in 2010, the Concord Creek subdivision offers a mix of single-family homes and townhome-style condominiums. Its location between I-43 and I-45 makes it the perfect location for any commute. Concord Creek is fast becoming one of the most popular subdivisions of Mequon as the city center is established, particularly with the new Spur 16 Mequon Public Market that's located just outside this subdivision's doorstep. Paths in Concord Creek provide residents with easy access to a nearby public library, baseball diamond and swimming pool. Want to walk to dinner? You can do that here. The paths also link to the Mequon-Thiensville Town Center and the Ozaukee Interurban Trail, a 30-mile paved path that spans the length of Ozaukee County.
