

About the Community

Twin Rock is a picturesque 27 lot subdivision with lots ranging from 1.25 to 2.24 acres. Residents will enjoy spacious lots, peaceful prairie views, and ample outdoor activity. All just a short drive to downtown Madison.

Rich in history, Twin Rock sits on the former Twin Rock Dairy site. Twin Rock Dairy was established in 1919 by Christian and Barbara Zurbuchen, who named the farm after a pair of rock outcroppings on the property. The Zurbuchen family continued to live on the farm until they sold the property in 2019. The Twin Rock development was planned and built in the shadows of the original farmhouse and barn, which bears the development's namesake. The rocks that inspired Twin Rock Dairy's name remain to this day, and a new road, Twin Rock Road, pays homage to the Zurbuchens' legacy.
